Welcome to aChurch4Me? MCC!

We are a new community and a new kind of “church” where: love is a blessing; diversity a gift; worship a celebration; & life a journey! This community of faith offers a place for you to question, explore, connect, and celebrate your entire self as a spiritual journey.

Now that I am here, what can I expect?

Today our gathering will begin with a welcome to begin the celebration of life and love through worship. Look up at the screen on the right side of the worship space for announcements, words for the songs, and much more. During our time together, please feel free to participate as you are comfortable and able. While each gathering may be a little different, you can always rely upon a time where all are invited to participate in a time of communion. Yes, aChurch4Me? MCC invites everyone to be part of communion, even if you have never seen or heard of a communion celebration! God has provided so many gifts and today we share this and a blessing with you.

During the week, many aChurch4Me? MCC events and programs occur in the greater Chicago area. We would like to keep you aware of these activities. Please fill out the blue “Connect” card in the Welcome Envelope and place it in the offering basket. During the week, an email newsletter announces various locations for meetings and small groups.

After today’s worship there will be a time of fellowship with snacks, please stay so we can meet you. Restrooms are in the hallway for your convenience. If you have any questions, please ask one of the ushers, or someone with a rainbow fish symbol on their name tag, to assist you.

“Welcome to your first step on a new kind of journey where you can question, explore, connect, and celebrate ALL of who you are!”
