MCC
METROPOLITAN
COMMUNITY CHURCH

Welcome to aChurch4Me MCC,

Thank you for joining us today for worship. As Pastor, I welcome you in this first step to question, explore, connect, and celebrate all of who you are. This is a different type of “church” because we are on a journey today. You may notice many people participate and lead in the worship experience. This is because so many began just like you today, walking in with questions, and along the way, found their own path to wholeness.

aChurch4Me? MCC is part of Metropolitan Community Churches, a group of churches who formed a new path to God, through various Christian expressions. As a part of MCC, we affirm human sexuality, all forms of gender expressions, diverse families, people of every race, and varying abilities. We boldly state this affirmation because we are made in God’s image. Today we celebrate God’s wonderful work and open ourselves to journey along the path toward God following the simple message that love is a blessing, diversity a gift, worship a celebration and life a journey.

Regardless of your previous experiences with churches or other faith traditions in the past, you are welcome here today. I look forward to meeting you. Please know you are welcomed in this place. It is my prayer that today you may begin to find the answers to your questions. I am available to for weddings or civil unions, or assist you in any way possible on your spiritual journey. Feel free to contact me through email at pastor.rachelle@achurch4me.org.

Once again, thank you for taking that first step with aChurch4Me MCC.
